

Copycat Starbucks Sugar-Free Cafe Vanilla Frappuccino

1/2 c espresso, fresh and then cooled to room temperature

1/2 c non-dairy vanilla creamer (or use another flavor! Regular? Hazelnut? Whatever strikes your fancy!)

3/4 c ice

4 drops liquid stevia extract

1/4 tsp pure vanilla extract (optional)

Blend and you are done! You can top with a non-dairy whip cream and a caramel drizzle if you want to make it even healthier, lol. (But sooooo good!!) See recipe below.
