

Lemon Rose Martini

Juice of 2 lemons

3/4 C Organic Vodka

1 Tbsp Raw Agave Nectar

1 tsp Rosewater

2 Tbsp Raw sugar or organic sugar

In a cocktail shaker over ice, add lemon juice, vodka, agave and rosewater. Now shake it like a salt shaker! Then, for the perfect rim job, use the leftover lemon to run along the rim of each martini glass. Then, with the sugar in a shallow dish, dip the rim of each glass in.

Garnish with a lemon spiral. Cheers!
