

Raw Tacos

Romaine Lettuce Leaves or green leaf lettuce

Taco Nut Meat

Tomato, seeded and chopped

Cilantro, chopped

Avocado, chopped

Limes, cut into wedges

Easy Taco Nut Meat

1 C Raw Walnuts

1/2 C Sunflower Seeds

1/3 C Sundried Tomatoes, coarsely chopped

2 Tbsp Shoyu

1 Tbsp Apple Cider Vinegar

3 Tbsp Chili Powder

Put all ingredients into food processor and pulse until well combined and 'meaty'. Do not process into powder!

Assembly

Spoon a few Tablespoons of the Nut Meat onto romaine leaves, top with tomatoes, cilantro and avocado. Squeeze some lime onto it and you're done!

Variation: Use pico de gallo or guacamole instead of plain 'ol tomatoes and avocados.
